- Knowledge of English literature
- Diligence and discipline

* Levels according to the European Framework of Reference (Eurocentres language levels)

Annual course 2024 / 2025 - University of Zurich: Information and number of lessons

	lessons per week	lessons in total
Main subjects:		544
**Mathematics	9	297
*English	3	90
*History	3	99
*German literature	2	58
In addition, 4 of 5 elective subjects:		Between 354 and 588
**Physics	8	264
**Biology	4	131
**Chemistry	4	132
*Geography	2	60
*Economics + Introduction to Law	Block courses	30
German, incl. essay*	7	231
Science language German*	1	17
French*	3	90
Private lessons		personalized
Total ca. 36 lessons per week (depending on the combination of subjects) * We reserve the right to reduce the number of lessons or charge the subject-specific private lesson rate for individual lessons should 5 or less students be enrolled in these subjects. ** We reserve the right to reduce the number of lessons should 8 or less students be enrolled in these subjects. The reduction of the lessons will not affect an ideal exam preparation (with 8 or fewer students, we need fewer lessons for an optimal exam preparation than with large classes).		

COURSE REGISTRATION, COSTS AND PAYMENT CONDITIONS

The number of students who can attend the course is limited, for this reason registrations are considered according to the date the course fee is credited.

On our online price calculator, you will find a detailed overview of our course prices as well as information about our payment conditions. Please visit our website or go directly to the following link <https://kv.excards.ch/app/offers.php>.
